

Bumble Bee® Series Cable Protectors

- Quick, lightweight solution for high traffic areas
- Available with T-connectors or Dog Bone connectors
- Ideal for light industrial applications, entertainment venues, and general purpose

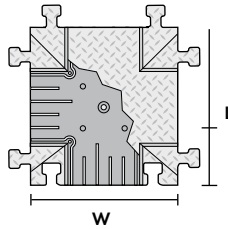

Bumble Bee 5-Channel Cable Protectors provide a safer crossing in high volume traffic areas while protecting valuable electrical cables and hose lines from damage. Made from all-weather urethane construction, Bumble Bee cable protectors feature a diamond plate tread surface for maximum traction. Ideal for use in light entertainment and utility application.

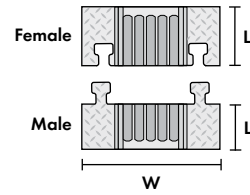

- Protects cables and hoses up to 1.25 in outside dia.
- Available with either patented T-connectors or Dog Bone connectors to extend to any desired length
- Reinforced hinged lid for easy cable placement
- Modular interlocking design
- Available with black lid, yellow base 

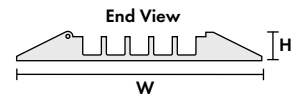

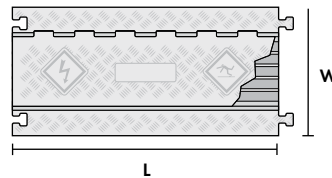

45° "Y" Connector
(T-Connectors)
