Description

Whether you're working with heavy-duty, high load-bearing operations or in a lighter-duty, more general-purpose setting, you may occasionally need to easily deploy a system on short notice.

Linebacker's 1-Channel Drop Over Cable Protector is up to the task. Intended to protect cables and hoses with a diameter of up to 1.25", it's built of durable, all-weather polyurethane and features patented T-Connectors allowing it to extend to any length when combined with other Linebacker protectors. It's also designed to be lightweight, easy to store and easy to transport and setup. It's quick, it's effective and it's easy to use.

Custom cable protectors can be made with different colors and embossed logos. [Get a quote](#) with your specific requirements.

Specifications

Model No	CP1X125-GP-DO-Y
UPC	812542021470
Color	Yellow
Quantity Included	1
Load Capacity Per Axle	17000 lbs
Load Capacity Per Tire	8500
Length (Inches)	38.25
