Description

Linebacker® 4-CHANNEL CABLE PROTECTOR with hinged lid provides a safe crossing for vehicles and pedestrian traffic while protecting valuable electrical cables and hose lines from damage in extreme weather conditions and work environments. Use these protectors with cables up to 1.35" tall and 1.35" wide. Modular interlocking design is ideal for use in oil and gas applications, mining, military, and other industrial environments with heavy trucks and forklifts.

Custom cable protectors can be made with different colors and embossed logos. [Get a quote with your specific requirements.](#)
