- All-weather polyurethane construction
- Patented 5-bar tread surface for maximum traction

- Easy to transport, setup, disassemble, and store
- Custom cable protectors are available. [Get a quote here.](#)

## Description

---

The Linebacker 45-degree Y Protector lets you split or join cable and hose runs while providing the same protection level as the Linebacker 5-Channel General Purpose Cable Protector. With patented T-Connectors and all-weather polyurethane construction, they're not only highly durable but easy to transport, setup, disassemble and store. Capable of protecting cables and hoses with a diameter of up to 1.3 inches, these protectors are ideal for use in entertainment venues, at sporting events, and in most public, commercial, industrial, and utility applications.

Custom cable protectors can be made with different colors and embossed logos. [Get a quote with your specific requirements.](#)

A patented 5-bar tread surface allows this cable protector to offer maximum traction for pedestrians, greatly reducing the risk of slips, trips and falls.

## Specifications

---

Model No	CPY5X125-GP-O/Y
UPC	812958001233
Color	Orange Lid / Yellow Base
Quantity Included	1
Pallet Quantity	60
Load Capacity Per Axle	21000 lbs
Load Capacity Per Tire	10500
Length (Inches)	17.25
Width (Inches)	17.25
Height (Inches)	1.95
Max Cable Outside Diameter (Inches)	1.3
Number of Channels	5-Channels
Connector Type	T-Connector Connector
Channel Width	1.3
