Product Images

Short Description

- Patented, modular ADA/DDA Compliant ramps
- Add ramps and rails when requirements specify
- One person installation - no tools required
- Custom cable protectors are available. [Get a quote here.](#)

Description

Whether you're protecting your personnel, ensuring your worksite is compliant with safety requirements or providing safe passage for vehicular traffic, these 1-Channel General Purpose Linebacker Ramps are more than up to the task. They help ensure a safe crossing point for everything from pedestrians to heavy trucks

with a gradual slope and slip-resistant surfaces. Manufactured to ADA/DDA specifications, a single person can install each ramp pair, requiring no tools for the process.

Custom cable protectors can be made with different colors and embossed logos. [Get a quote with your specific requirements.](#)

This makes it easier than ever to install ramps and rails wherever required and to breakdown and store them after they're no longer needed. Intended for use with the 1-Channel General Purpose Linebacker with 2.25" channel.

Specifications

Model No	CPRP-1X225-BLU
UPC	812958001035
Color	Blue
Quantity Included	1
Pallet Quantity	15
Load Capacity Per Axle	40300 lbs
Load Capacity Per Tire	20150
Length (Inches)	36
Width (Inches)	34.81
Height (Inches)	2.88
Connector Type	T-Connector Connector

Prop 65
