- Custom cable protectors are available. Get a quote here.

Description

Fastlane® lightweight drop-over protectors are made from durable polyurethane and feature heavy-duty, patented L-Connectors for easily attaching additional protectors to extend to any desired length. Patented 5-bar tread plate surface provides maximum traction for carts and pedestrian traffic. These low profile protectors fit multiple cable sizes up to .5 inches tall and are compact for easy setup, disassembly, and storage.

Custom cable protectors can be made with different colors and embossed logos. **Get a quote with your specific requirements**.
