Description

Guard Dog® low-profile models are the most compact top-loading cable protectors on the market. These fit cables up to 0.75" tall and 2.25" wide. These protectors provide a safe and easy crossing for vehicle and pedestrian traffic, while still maintaining a high load-bearing capacity for heavy equipment. The low-profile models are available with your choice of standard or ADA/DDA compliant ramps.

Custom cable protectors can be made with different colors and embossed logos. [Get a quote with your specific requirements.](#)
