## Description

---

Say goodbye to messy and tangled cables with the Checkers Quick Cable Hook, model CHQUICKHOOK-O the ultimate solution to your cable management needs. Available in a highly visible orange, this overhead hanging cable protector is an innovative yet simple product designed to protect, organize, and prevent tripping over cables on job sites or within a facility. It also helps you comply with 12 cord related OSHA regulations.

This safety hook is easy to use. It securely attaches to pipes, railings, ceilings or walls, keeping your cables safely off the ground and out of harm's way. The sturdy s-hook is made from high-quality materials, ensuring it can handle up to 80 pounds of cables with ease.

Not only does the quick cable hook keep your workplace tidy and organized, but it also helps to prevent accidents. With cables securely suspended overhead, you'll no longer have to worry about tripping over tangled cords or damaging your equipment. It also prevents damage and electrical shock hazards from staples, nails, wire or string is used to suspend cords and hoses. Be sure to use enough cable hooks to minimize sag between devices.

This safety hook is non-conductive and perfect for a variety of settings, including construction sites, factories, offices, homes, garage, workshops, and more. The durable polycarbonate material provides a temperature rating from -40 to 240 degrees Fahrenheit. Its compact design ensures it won't take up too much space, and installation is quick and easy. Plus, the quick hook is compatible with all types of cables, including extension cords, temporary power cords, sprinkler pipe, hoses, wires, ropes, cables, and more.

Don't let messy cables disrupt your workflow or pose a safety hazard. Enjoy a safer, more organized

workspace by purchasing Checkers quick cable hooks today.
