Description

Checkers™ rubber duct systems protect and hide valuable cords and cables located in walkways or work areas. These non-metallic, flexible, industrial-grade rubber protectors are extremely durable, easy to install and organize portable cords and cables while reducing trip hazards. Fits multiple cable sizes. Available in 5' or 10' lengths and can be slit on the bottom for easy cord insertion. Checkers™ rubber duct protectors feature grooved underside for better traction. Optional carpet kit with VELCRO® brand Fasteners also available for added traction.

Custom cable protectors can be made with different colors and embossed logos. [Get a quote](#) with your specific requirements.
