- Patented 5-bar tread surface for maximum traction
- Modular interlocking design for easy setup
- Custom cable protectors are available. Get a quote here.

Description

Guard Dog® low-profile models are the most compact top-loading cable protectors on the market. These protectors provide a safe and easy crossing for vehicle and pedestrian traffic, while still maintaining a high load-bearing capacity for heavy equipment. The low-profile models are available with your choice of standard or ADA/DDA compliant ramps.

Custom cable protectors can be made with different colors and embossed logos. **Get a quote with your specific requirements**.
