- Mats can be locked together with Turn-A-Links forming a continuous roadway or workable platform
- Limited Lifetime Warranty

## Description

---

AlturnaMAT® Mat-Paks are a convenient, economical package of 12 mats plus accessories and metal storage-skid rack. Mat-Paks include (12) 4' x 8' or 3' x 8' Mats, (20) Single Turn-A-Links, (2) Handi-Hooks, (1) Metal Storage Rack, and (2) Ratchet Straps. Just load the Mat-Pak onto your truck bed and you're set for making a nearly 50 foot roadway to the job site, or you can make a working platform for vehicles and personnel. AlturnaMAT® is a high load capacity mat boasting an aggressive diamond plate tread design on both sides of the mat and a high load capacity ideal for use over soft or sensitive ground conditions in the construction, civil engineering, groundwork, and events industries. These rugged mats are made of 0.5in. (12.7 mm) thick polyethylene making them virtually indestructible. AlturnaMAT®S® can withstand loads of up to 120 tons\*, and its flexible construction means that these mats will follow the contours of the ground to deliver a highly effective access solution over undulating or sloping ground conditions. Weighing just 86 lbs (39 kg) at its maximum size and just 21.4 lbs (9.7 kg) at its smallest, AlturnaMAT®S® can be easily deployed and maneuvered without any special equipment with the added optional convenience of strategically positioned hand holes. AlturnaMAT®S® can be connected together using our Turn-A-Links connectors to create a secure trackway or work pad.

\*Load bearing capacity is subject to ground conditions. Sizing is subject to a manufacturing variance of +/- 5%.
