

Cable protector transport carts are four wheel carts that allow one person to easily transport or store multiple Guard Dog®, Firefly®, Linebacker® or Yellow Jacket® cable protectors at one time. Carts speed up installations and provide safe, organized storage.

- Easy and convenient way to transport or store multiple cable protectors
- Rugged, tubular steel frame construction with durable black powder-coat paint finish
- Transport or store up to 10 cable protectors (see cart capacity below)
- Two each 8-in solid rubber rear wheels
- Two each 5-in molded-on rubber, swiveling front casters with wheel locks
